At 8:45 the house was called to order. A good song was sung and the Moderator read the 12th chapter of Romans for a lesson, and Eld. A. L. Anderson offered the morning prayer, after which the business of the convention was taken up as follows:

Called for detained letters, but none were received.

On motion Eld. G. W. Guntharp was seated as a messenger from New Home Church. Any visiting brethren who are here or may come are invited to seats with us in this convention.

Called for reports of Committees when business of the morning was dispensed with.

The report on Sunday Schools was read as follows:

We your Committee on Sunday Schools beg leave to report the following: We find from the reading of the letters from the various churches that about all of our churches have Sunday Schools, for which we are very thankful to God. Brethren, it is needless for us to argue the importance of Sunday Schools or the duty of promot-

ing their establishment or increasing their efficiency in every legitimate way. The Sunday School is a great missionary to the future; while our other benevolent agencies relate primarily to the present, this goes to meet and bless the generation that is coming, to win them from ignorance and sin; to train future laborers, when our places shall know us no more. Sunday Schools tend to direct increasing attention to the Bible, to elevate the ministry, to train young ministers, to build up churches in destitute places, to foster the missionary spirit, to increase both our capacity and our willingness for every good work; and therefore we urge a deeper interest to be taken in Sunday Schools in the future, than we have in the past. Respectfully submitted. E. M. YOUNG, Chairman.

Received, discussed by Elds. A. M. Nix, J. F. Benson, W. D. Page, A. L. Anderson, J. A. Conwell, Bros. D. W. Graham, D. J. Stevens, E. M. Young, L. L. McKinney and A. G. W. Byram, and unanimously adopted.

#### Sacred Music

We your Committee on Sacred Music beg to report as follows: Sacred music is made by God's children, writing songs through the influence of the Holy Spirit from the word of God, and also singing the same with the spirit and understanding. David said, "Praise ye the Lord, for it is good to sing praises unto our God; for it is pleasant and praise is comely." Submitted.

J. C. GRAHAM, Chairman.

Received and spoken to by J. C. Graham, Eld. J. A. Conwell, T. C. Cleveland, Eld. J. T. Robinson, Eld. J. F. Benson and S. T. Graham, and adopted.

Adjournment was taken for preaching and refreshments.

The preaching service was introduced by songs followed by reading the 6th chapter of Hebrews as a lesson. Prayer led by Eld. W. D. Page. A very able discourse was delivered by Eld. J. T. Robinson, on the theme, "Security of God's Children," based on the lesson read.

After partaking of a bountiful dinner, which was much enjoyed by all, the convention re-assembled and proceeded with the business of the Association.

The Devotional Committee reported that Elds. A. M. Nix and J. W. Davis preach at Salem and Elds. J. A. Conwell and G. W. Guntharp preach at Liberty.

Reports of Committees were called for and the following received.

**Education**

We your Committee on Education report as follows: We believe our people should be better educated and trained so they may be better prepared for the things of life; that their minds and hearts may be turned to the love of God. We urge people to send their children to Baptist schools, read the Bible to the children at home, that they may know more about God. Let us do all we can to educate our boys and girls. May God help us to do this thing. Respectfully submitted.

A. M. NIX, Chairman.

Report amended by recommending the Mississippi College at Clinton, Miss., for boys, and Blue Mountain Female College, Blue Mountain, Miss., for girls. Report received and discussed by Eld. J. F. Benson and adopted.

**Missions**

We your Committee on Missions report the following: We believe it to be our duty to convey the gospel to the world as God has directed in his word. We also believe that it should be carried by Baptists, as they alone contend for the whole truth. Christ came to seek and save the lost, and gave the gospel as a means to bring lost sinners to a saving knowledge of him. Therefore we believe in the organized work and recommend to the churches that they co-operate with the same for the glory of God and the salvation of the lost. Respectfully submitted. J. A. CONWELL, Chairman.

Received and discussed by Eld. J. A. Conwell, Eld. W. D. Page, Eld. J. F. Benson and S. T. Graham, and the following resolution was with the report adopted: "Resolved, That each pastor and messenger of the churches urge each member to contribute 10 cents per quarter or 40 cents per year for Associational Missions, and that each pastor appoint as many as he thinks best to collect this amount and send to each Fifth Sunday Meeting. Resolved, further, that each Fifth Sunday Meeting be made a mission meeting and that the Executive Committee meet at each session.

**Baptist Literature**

We your Committee on Baptist Literature report as follows: 1st. We recommend the reading of sound Baptist religious literature published by Baptist publishing houses, and the Bible to be the standard by which this is to be judged. We recommend The Baptist Record, published at Jackson, Miss. 2nd. For Sunday School work we recommend the Southern Baptist literature published by the

Southern Baptist Sunday School Board at Nashville, Tenn. Respectfully submitted.

J. F. BENSON, Chairman.

J. T. PAGE, Secretary.

Received and discussed by Elds. W. D. Page, J. F. Benson and J. A. Conwell, and adopted.

#### Temperance

We your Committee on Temperance beg to report the following: We believe intemperance to be the matchless evil, and as to the use of strong drink, we urge total abstinence. Respectfully submitted.

J. T. ROBINSON, Chairman.

Received and spoken to by Eld. J. T. Robinson, J. F. Benson, D. J. Stevens, and A. G. W. Byram, who made a motion that carried, that the Moderator and Clerk write a resolution to our representative in Congress and each Senator, asking them to do all in their power to get a law enacted to stop the shipping of intoxicating drink into dry territory. By this power granted the following resolution was written: Realizing that the use of intoxicating drink of any kind is an evil without an equal, and its excessive use should be totally prohibited, we, the Tombigbee Baptist Association in convention assembled, empower our Moderator and Clerk to ask your consideration of such a resolution as they see proper to submit. The following was submitted: Resolved, That you in our behalf, lend your voices, votes and influences to the enactment of some law to prohibit the shipping of intoxicating drink into our State.

Leave of absence was granted the following: W. T. McNeece, J. D. Long, W. A. Butler, J. W. Mann, W. J. Prestridge, E. M. Young and M. Robison.

On motion we adjourn to 8:30 a. m. Tuesday.

#### MONDAY NIGHT

In the absence of both the appointees to preach at Liberty, the appointment was filled by Bro. L. L. McKinney, who read the third chapter of John for a lesson, and the 16th verse was used as a text. A great interest was again manifested.

At Salem a good sermon was delivered by Eld. A. M. Nix, using Romans 5:18 as a text.

#### TUESDAY MORNING SESSION

At 8:30 the Association came together by singing; prayer offered by Eld. W. D. Page. As the Moderator had not arrived, and on motion Eld. J. A. Conwell was elected Moderator pro tem. until

Moderator came in. Call for Committee reports as follows:

**Ministerial Support**

We your Committee don't believe the work is just what it could be. We believe when God impresses a man to preach his gospel, setting his salary at a living, and he does the preaching, the laity should see that his living is provided amply. Furthermore, we do not believe the Lord is slack concerning his work as some men count slackness. Furthermore, we do believe that if the several churches would look more carefully after the ministerial affairs, the church would be much more abundantly blessed. Submitted.

E. S. PLEASANT, Chairman.

Received and discussed by Eld. W. D. Page, D. J. Stevens, W. W. Leatherwood, A. G. W. Byram, E. L. Cain, Elds. J. F. Benson and J. A. Conwell, and adopted.

**Orphans' Home**

Your Committee on Orphans' Home report the following: Realizing the great opportunity to support an institution founded by the God of the widow and orphan through the instrumentality of his people (Prov. 19:17, James 1:27), brethren, do we realize the importance of this work? Can we feel and see why this Home is necessary? It supplies a father's care and protection, a mother's soothing hand to fevered brows, her ever sympathizing ear to little tales of woe. It makes capable and useful citizens out of those who, otherwise, would be a burden on the State. It gives mental, physical and religious training, thereby giving to the State men and women fully equipped to do their part in the great work of elevating the standard of citizenship, in society and church, who without this advantage would fill our almshouses and our jails. Help them. Respectfully submitted.

D. W. GRAHAM, Chairman.

Received and spoken to by Elds. J. F. Benson, W. W. Leatherwood, and D. W. Graham, and adopted. A contribution was voluntarily given, amounting to \$3.20.

**Obituaries**

Your Committee on Obituaries report, that according to the letters from the various churches, we find the following deaths have occurred in our bounds: W. W. Yarber and T. J. Selby, Belmont; Sister Emilie Duncan, Hopewell; Sister Martha S. Page, Bethlehem; G. W. Anthony, Mt. Pisgah; D. T. Sherrel, Sandy Springs; Sister Susan Fikes, Mt. Zion; Sister Frankie Young, Liberty Grove; Sister W. S. Pugh, Shiloh; Sister S. S. Jackson, Anti-

Grieve not for them as for those who have no hope. Submitted.

C. A. CLEVELAND, Chairman.

The messengers from Mt. Pleasant ask for the Association in person and on motion that church was placed in nomination. Report received and a rising vote taken, and Providence received a vast majority of the votes and on motion was unanimously selected as the next place of meeting in 1915.

**Church Discipline**

We your Committee ask to report. We believe that the great hindering cause to progress in church work, to the growth of Christianity and to the salvation of souls, can be traced to slack methods of church discipline in our churches. The world's opinion of the church and Christianity is based on the lives of professed Christians, and the church loses respect of the world when it retains in its fellowship members who walk disorderly. 2nd Thess. 3:6, 11. We also believe that the church should withdraw from a member who habitually indulges in dram drinking with the unconverted. We further

believe that we should withdraw from those who are able and will not support the ministry. Submitted. J. W. DAVIS, Chmn.

Report received and adopted.

A. G. W. BYRAM, Chairman.

Report received and adopted.

A contribution amounting to \$3.76 was given to Eld. W. D. Page to aid him in defraying the expenses incurred by the sickness and death of his wife.

On motion, Bro. S. Mayhall, S. T. Graham, J. G. Wood, Eld. J. A. Conwell and L. A. Bookout were appointed to serve as Executive Committee in the First District during the year 1915.

Also that A. G. W. Byram, G. W. Yarber, Eld. J. M. Harrison, E. L. Cain, S. A. Trim serve in the same capacity in the Second District for the next year.

On motion the Clerk was allowed \$16.00 for his services and that he superintend the printing and distribution of the Minutes of this Association.

The Devotional Committee reports that Eld. J. F. Benson preach at 11 o'clock.

**Resolution of Thanks**

Since we have been meeting, in this Association, with Salem Church, which has been great, we feel that our coming together has not been in vain, for we know that God has been with us. Our meeting with this church will ever be a green spot in our memories. Therefore be it resolved, That we extend our many thanks to this good people for their kind hospitalities shown us while in their midst, enjoying the fruits of their kindness and the rich blessings of Him who is able to bless. May we meet up yonder in that great Association, where we will be separated no more while eternity lasts. Submitted.
